

A Flavour of 2015

Lowri, James, Lyn and Dave (left). Lowri's West End debut (below): Fiddling + Shakespeare = Bliss!

Acting highlights for Lowri this year include another tour in *The Devil's Chord* as Alma Rose, *Only a Day* (Belgrade Theatre, right) and *A Midsummer Night's Dream* (Arts Theatre West End, far right)

HAPPY CHRISTMAS!
WITH MEMORIES OF CERI, LOVE FROM DAVE & LOWRI AMIES AND LYN THOMAS

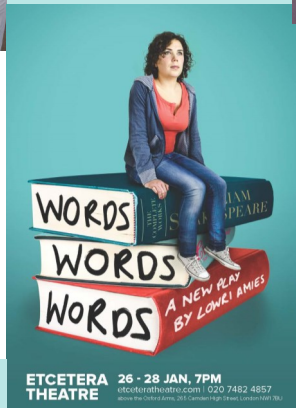

Some of the weddings we celebrated included Joe & Leanne's and Luke and Megan's (left)

Nicola and Antony's wedding was delayed by the Shoreham air crash BUT we went on to a family favourite spot and had a great time glamping!

Lowri is currently writing, producing, and performing in her own one woman show, *Words, Words, Words*. It's a play about Ceri and, unsurprisingly, Shakespeare.

Dave's 60th celebrations began with a lovely time in Florida. Then to London to eat in the Shard (top) and visit Shrek before seeing Lowri's West End show. We had a BBQ at home, as well as one at the caravan site. Treats included Dave Gilmour (below) and *A Winter's Tale* with Dame Judi.

At the Etcetera Theatre, The King's Head and the Leicester Square Theatre, maybe some of you will catch it!
